Wedding planners are just trying to do their jobs, and that is made extremely difficult when the mother of the bride or groom is questioning every decision that they make. If your mom is one of those over-involved parents, try to let her know in the nicest way possible that while her input is appreciated, you'd prefer to leave the planning to the professional.

The right planner will help you make the wedding of your dreams a reality—but only if you pick the right one. Think of your initial meeting with a planner like a first date—you want to make sure the two of you get along and have the same vision, as you'll be spending a lot of time together over the next year or so.
