### Death Note Black Edition Volume

The black edition of Death note comes in 6 volumes and does not include the 'how to read' volume 13, which is found in the normal edition of Death note books. Now what makes this black edition different from the normal edition is the fact that of course it is black, includes two volumes in one book and the pages inside are of better quality/thicker.

Book 4 here collects Death Note vol. 7 &8 of the 12 book series. Not to cofuse anyone but the 13th book of Death Note is not a continuation of the series it is mostly filler material. The black editions only go to 6 books which has vol. 11 & 12 of the series. If you have not read the books I strongly suggest starting with book 1.

The sixth volume of Death Note: Black Edition is the final book in the highly popular Death Note Manga series. I'm happy to say that Ohba managed to finish things off on a satisfying note, but it doesn't change the fact that I found this series to be a tad uneven, despite the fact that it has received near universal praise.
