Her-2 is the biography of Herceptin, the drug that provoked dramatic responses in Barbara Bradfield. Two years after she underwent a mastectomy and chemotherapy, Barbara Bradfield's aggressive breast cancer had recurred and spread to her lungs. The outlook was grim. Then she took part in Genentech's clinical trials for a new drug.

Her-2: The Making of Herceptin, a Revolutionary Treatment ...

The promise of Herceptin began in 1979 when pioneering cancer researcher Robert Weinberg identified the gene—now known as HER-2—which is involved in multiple cancer pathways. At the same time, Genentech, the company that eventually brought Herceptin to market, was a fledgling biotechnology firm in south San Francisco.

It is an adaptation of Robert Bazell 's book HER-2: The Making of Herceptin, a Revolutionary Treatment for Breast Cancer. The film was the first mainstream feature film to be scored as a solo project by composer Halli Cauthery. Renée Zellweger, in her first television project, is executive producer, with Neil Meron and Craig Zadan producers.

Living Proof (film) - Wikipedia

Even though these two sections combined were short they had a lot of good information about the brief history of the discovery of HER-2 and the development of Herceptin. After reading about how the development of the drug almost never happened it got me excited to learn more about the process, hence the title Her-2: The Making of Herceptin.

Don't call Ghislaine Maxwell a snake. The accused enabler of Jeffrey Epstein asked a judge Tuesday to order the feds to stop making public statements about her case. The remarks, most notably by ...

Ghislaine Maxwell wants feds to stop talking about her ...

In 1997, the Smiths married. A year later, Jaden, their first child together, was born. True to her word, Jada seemed to disappear into motherhood, although she would appear in at least one movie a year, from big-budget action flicks like The Matrix Reloaded, The Matrix Revolutions (2003), and Collateral (2004), to family-friendly animated features like Madagascar (2005).

Will and Jada's "Red Table Talk" Was A Savvy PR Move

Emily Ratajkowski is always wearing some sort of sexy look while she's out in New York City walking her dog, Colombo, but one of our favorites was her skintight teal two-piece. She rocked a full ...
