Use this manual to learn about your Intermec 3400, 3440, or 3600 printer.

Although the three printers are almost identical in form and function, they do have some small differences.

Throughout this manual you will find these icons beside information that pertains to a specific printer model.

"Intermec" doesn't show up as a printer manufacturer in my Add Printer Wizard. I would like to use IPL on my Intermec PM43 and I do not see an IPL-language driver listed in the Select a Printer listing in the Datamax Driver Wizard. From where may I download a legacy (non-current) version of the Intermec InterDriver?
