LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site

Does anyone have the AP edition of the Zumdahl Chemistry textbook? If so, could you post/link the AP-style questions at the end of chapters 2, 3, 7, and 19? I only have the regular edition of the Zumdahl book and want the AP questions in the AP edition for practice.
