### The Martian Literary Elements | GradeSaver

A Martian is an inhabitant of the planet Mars or a human colonist on Mars. Although the search for evidence of life on Mars continues, many science fiction writers have imagined what extraterrestrial life on Mars might be like.

### Martian - Wikipedia

Mars has held a central place in human imagination and culture for millennia. Ancients marveled at its red color and the brightness that waxed and waned in cycles over the years. Early observations through telescopes led some to speculate that the planet was covered with canals that its inhabitants used for transportation and commerce.

### Nine Real NASA Technologies in 'The Martian' | NASA
