The Roman Empire at Bay is the only one volume history of the critical years 180-395 AD, which saw the transformation of the Roman Empire from a unitary state centred on Rome, into a new polity with two capitals and a new religion—Christianity. The book integrates social and intellectual history into the narrative, looking to explore the relationship between contingent events and deeper structure.

The mountain laurel represents the bay laurel used by the Romans in wreaths and crowns of honor. At Reed College in Portland, Oregon, United States, members of the senior class receive laurel wreaths upon submitting their senior thesis in May. The tradition stems from the use of laurel wreaths in athletic competitions; the seniors have "crossed the finish line," so to speak.
