Ovary should also make you think twice before you ask a couple if they are going to have children: it is no one else's business other than the couple. You never know what they are going through whether it is infertility or other issues. Bravo JT Lawrence on a memoir that we all need to read. The Underachieving Ovary is highly recommended.

Plus: [SPOILER ALERT] It has a Happy Ending, in the form of a most delicious baby. It's called 'The Underachieving Ovary' and the 3rd draft is sitting at 96,000 words. It's set in Jo'burg, but the themes (infertility, hope, eye-forking) are universal. (The manuscript is currently out for submission)
