Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

**The View From Delphi**  
Overall, The View from Delphi was worth reading, as it held my attention and the second half was a page turner. Specifically, it captured the relationships and emotions that prevailed in the deep South at the dawn of the Civil Rights era, insofar as I can understand and empathize with these as a Caucasian who was a child when this upheaval was in its infancy.

**The View from Delphi by Jonathan Odell - Goodreads**  
Odell's novel, "The View from Delphi", like "Gone With the Wind" was a time machine that transported me to a society and a world I have been reluctantly curious to visit. Through the eyes of outsiders, Odell contrasted the landowner's life with the life of post-slavery African American sharecroppers / laborers.

The View from Delphi is a series of rhapsodies on the spiritual foundations of Western thought. From ecstasy to the religious foundations of medicine, from the Oracle at Delphi to the spirituality of Orpheus, The View from Delphi illuminates our foundations and core understandings. Available in PDF Format How can I use this format?

**The View from Delphi by Frank Marrero (eBook) - Lulu**  
The View from Delphi -- book review Hazel Ishee runs away from her hardscrabble family and their destitute existence in Appalachia at fifteen, desperate to find another life. Working in a drugstore in a nearby town, she meets the industrious Floyd, a young man from a similar background.

**The View from Delphi -- book review**  
The two move to Delphi, Mississippi, where Floyd flourishes but Hazel founders. Not a good housekeeper, she is even less sure of her mothering skills when she gives birth to Johnny and Davie. But she acquires one skill—driving fast—that helps as she tries to cope with the death of Davie, and later when she is dodging the Klan.

**THE VIEW FROM DELPHI by Jonathan Odell | Kirkus Reviews**  
A View from Delphi is Johnathan Odell's first novel, and while it held my interest, it wasn't as captivating to me as The Healing was. The story takes place in pre-Civil Rights Mississippi and is about two young mothers, Hazel and Vida, one wealthy and white, the other poor and black, and who only have two things in common - the loss of their children.

**The Oracle of Delphi - HeritageDaily - Archaeology News**  
Delphi was an ancient sanctuary of the Pythia, located on the south-western slope of Mount Parnassus in central Greece. The Pythia was established as a high priest cult around the 8th century BC (although some sources suggest they may be present in some form as early as 1400 BC), and continued to be consulted for important political and religious decisions until the 4th century AD.
