The Village Effect Why Face

The Village Effect: Why Face-to-Face Contact Is Good for Our Health, Happiness, Learning, and Longevity. In her surprising and persuasive new book, award-winning author and psychologist Susan Pinker explores the crucial, long-standing but forgotten value of face-to-face contact in an age of ever-expanding online connection.

The Village Effect: Why Face-to-Face Contact Is Good for ...

The Village Effect. In this surprising, entertaining and persuasive new book, psychologist Susan Pinker shows how face-to-face contact is crucial for learning, happiness, resilience and longevity. From birth to death, human beings are hard-wired to connect to other human beings. Face-to-face contact matters: tight bonds of friendship and love heal us, help children learn, extend our lives and make us happy.

The Village Effect - Susan Pinker Author

A lot of research has been done regarding the benefits of social contact. The brain is a social organ as many neuroscientists assert, and we are greatly affected by the degree of face-to-face contact we engage in. "The Village Effect" underscores this, highlighting many studies which illustrate this concept.
